INTRODUCTION

Himachal Institute of Dental Sciences, Paonta Sahib was established in 2003 under the aegis of the Dr. Puran Chand Medical Charitable Trust with an initial intake of 100 seats for the BDS course. The institute received approval from the Government of Himachal Pradesh,

the Dental Council of India, and the Government of India. In 2008, it was officially recognized by the Ministry of Health & Family Welfare, Government of India, vide letter No. V-12017/6/2001-DE dated 26.06.2008.

The institute is affiliated with the Government-run Atal Medical & Research University, Himachal Pradesh. Currently, it

offers postgraduate (MDS) programs in seven specialities with an intake capacity of 29 seats, in addition to diploma programs in Dental Mechanics (DM) and Dental Hygienists (DH), each with 10 seats.

We take immense pride in the achievements of our alumni — over 1500 BDS and 200 MDS graduates — who have excelled in their respective fields. Many are successfully practicing dentistry, serving in the Indian Armed Forces and State Services, or running their own clinics. A significant number of our graduates have also secured admissions to prestigious postgraduate programs abroad, including in the USA, UK, Canada, Australia, and Switzerland.

WHY CHOOSE HIDS
